## Barracks

We are slowly opening the full camp with new requirements. If you have used the camp before, please review the following and Camp Use - Fine Print as many things have changed.

Barracks use is primarily for group accommodations. Minimum stay is two nights. Deposits and sanitation fees will be applied to rates. Turnaround times on their use can be several days and need the permission of the camp manager. Individual use may be available but not far in advance. If you want a particular date, please consider one of our cabins that is better suited to individual and family stays. Only registered guests are allowed at the camp. The camp, due to parking and delicate historic structures, is not available for parties and gatherings with outside guests.

Currently groups are limited to 15 people. Although the CCC Camp can handle up to 46 people maximum capacity in the barracks and 56 people if the entire camp is used, the rates below do not include the Mess Hall. For example, Barracks B, with its typical bunkhouse layout, needs to have use of the Mess Hall. If you are looking for housing more than these numbers, please be advised to look elsewhere. Tent camping or non-guest use of the premises mixed with onsite users are not allowed. The parking situation is too limited. Abuse of the facility has been an ongoing problem in the past. It is a special historic place and deserves proper respect.

All restrictions in "Camp Use - The Fine Print" are applicable. If you have larger groups than our maximum numbers, look elsewhere for accommodations or plan to downsize your activity.

**Barrack B.** This is a typical bunk house-type accommodations for group use only, with two multi-user bathrooms. It can be used to separate mixed groups and has adequate showers and toilets. Barrack B accommodations don't include a kitchen with cooking facilities. The Mess Hall requires a separate fee and is not exclusive. There may be additional requirements, fees, and deposits. These are just the accommodation fees.

Barrack B one side (from 1 to 15 persons) \$450 per night  
Barrack B both sides (from 1 to 30 persons) \$900 per night

**Barracks C.** Individual units can be rented by separate parties with a shared, single bathroom, and a common area with a microwave and Keurig coffee maker. Use of the Mess Hall requires a separate fee and not exclusive. There may be additional requirements, fees, and deposits. These are just the accommodation fees.

Barrack C - Dreamers Semiprivate Room (1-2 persons) \$75 per night  
Barrack C - Dreamers Bunkroom (from 1 to 10 persons) \$300 per night

**Parking.** Only three parking stalls are available at the camp for barracks use. Plan on car or van pooling.

**Covid.** Larger groups involve greater risk for contracting and spreading diseases such as Covid. We also suggest health screening of individuals prior to camp arrival for the safety of your group and others you involve in your activities. Any sick individuals are not welcome. If anyone is sick, they need to wear a mask indoors. Any group/organization protocols regarding Covid or other illnesses during your stay will be part of the discussion.

Please contact our camp manager to inquire about the mess hall and group accommodations:
